

MotivHealth New Member Checklist

Congratulations and welcome to MotivHealth. Now that you've enrolled, we want to ensure you have a positive and productive experience with us. At MotivHealth, success starts and ends with you taking full advantage of our unique member tools, resources, and incentive programs. To guarantee you receive all we offer, we've provided you with the following checklist to serve as a reminder of how we empower our members and encourage them to grow their health savings.

- Create MotivHealth Member Account** 1

Visit motivhealth.com and click "Log In" to create your member account.
- Enroll in Steps Incentive Program** 2

Sync your free Garmin or preferred pedometer device to your member account, and start earning HSA dollars. You and your enrolled spouse can each each \$250/year just by walking.
- Receive Free Prescription Assessment** 3

Contact a Prescription Benefit Specialist at 385-247-1030 to determine if you're eligible for our prescription assistance program. If so, we could **reduce or eliminate** your monthly out-of-pocket prescription costs.
- Become a Health Care Consumer** 4

Before receiving a planned medical procedure, contact a Personal Health Assistant (844-234-4472). They will explore options, identify savings and assist you in finding high-value providers.
