

Price Transparency

You deserve to know the cost of medical care before receiving it. Prices for medical services vary dramatically, which makes our price transparency tool a powerful asset for our members.

\$10,400 to \$42,365*

Price range for knee replacement.

\$550 to \$3,402*

Price range for an MRI.

\$4,850 to \$13,850*

Price range for a vaginal baby delivery.

*These prices represent insurance and member responsibility combined.

HOW TO FIND PRICES

1

Go to Member Account

Go to member.motivhealth.com.

2

Click "Find a Provider"

Search by procedure, and select the procedure you need. If your procedure isn't listed, contact us.

3

Find the Best Price

You'll see total cost and what your responsibility would be based on each option.

4

Look for Prompt Pay Options

Some planned procedures have additional savings potential.
