

# Syncing Google Fit to your Member Account

1

## **DOWNLOAD THE GOOGLE FIT APP.**

The Google Fit app will connect your Google account with the Health app on your phone.

2

## **SIGN IN WITH YOUR GOOGLE ACCOUNT.**

Once downloaded, you will sign in with your Google account. Select “continue” then “track automatically” to allow Google access to the Health app.

3

## **ENABLE “STEPS” IN THE HEALTH APP.**

Open your Health app, and make sure “steps” is enabled. Select “allow” to continue, and “next” through the following screens.

4

## **SIGN INTO YOUR MEMBER ACCOUNT.**

Once signed into your member account, select “activate fitness device” in the bottom right of the screen.

5

## **ACTIVATE YOUR GOOGLE FIT DEVICE.**

Select the Google Fit app icon. When prompted, select “yes” and “yes” again, then proceed to sign into your Google account.

6

## **START EARNING!**

Select “allow” to give MotivHealth access to your steps activity, then “allow” again to confirm. Now you’re ready to start earning.
