FIND CARE, SAVE MONEY

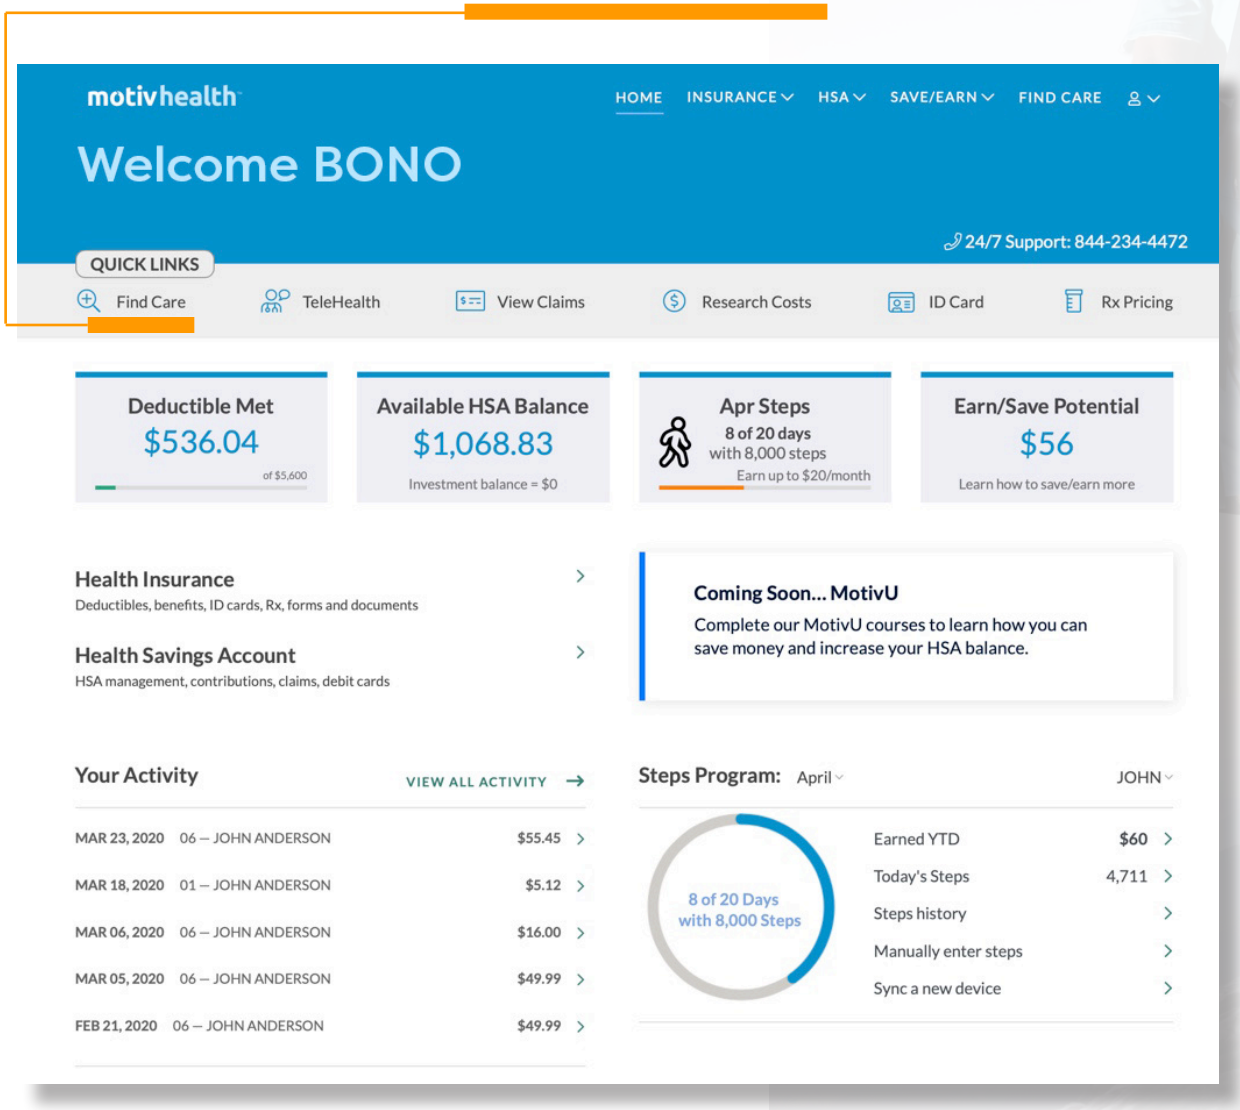
How to Search For Providers

To help you earn, save and spend your health care dollars effecively, we encourage you to idenify and use only high-value health care providers. To help you idenify in- network providers, we've provided you this brief guide. If you have quesions regarding the provider search tool or need assistance finding an in-network provider in your area, please contact a Personal Health Assistant by dialing **844-234-4472**.

1. Go to MotivHealth.com

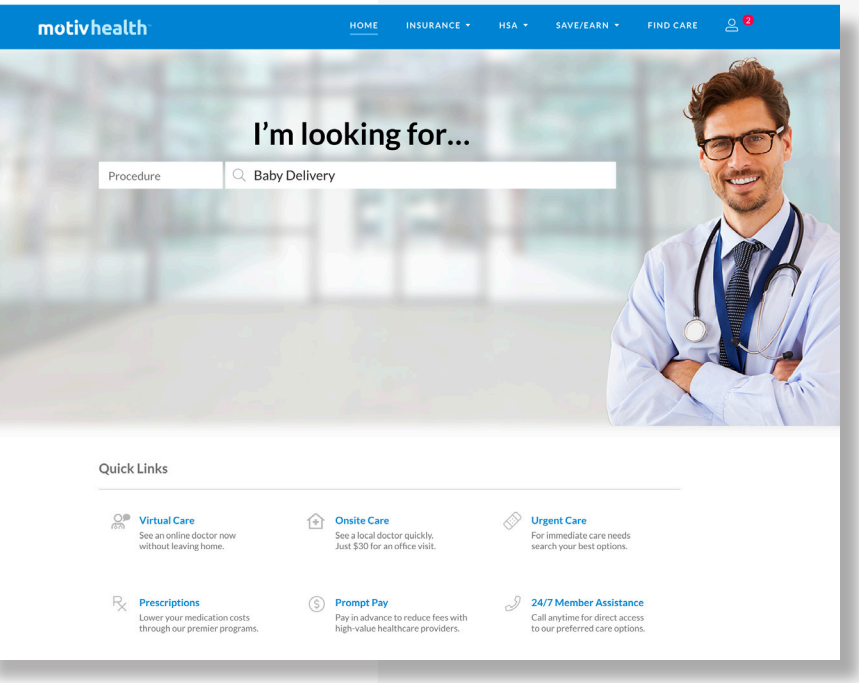
Click "Log In." Enter your username and password.

2. Click "Find Care"



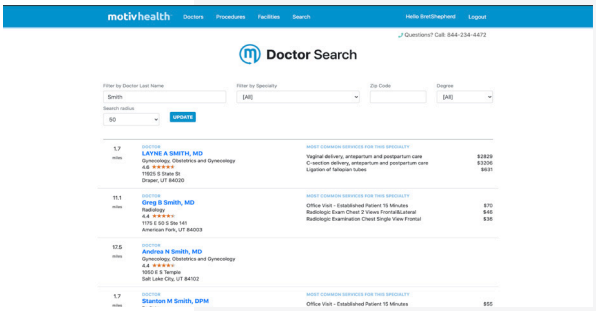
SEARCH BY PROVIDER, PROCEDURE, OR FACILITY

Find In-Network Providers



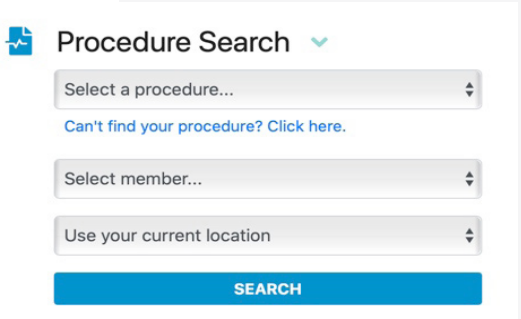
Navigation

Click the down arrows next to "Doctor Search," "Procedure Search," or "Facility Search" to begin. Or, you can use the links on the right to find telemedicine options, Onsite Care, and more.



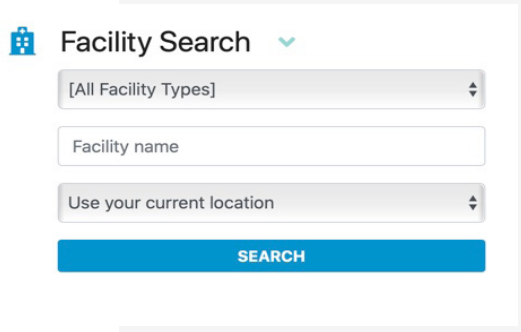
Doctor Search

Search by name, or use the dropdown to search by specialty.



Procedure Search

Choose from a variety of procedures, select the member needing care, and a location.



Facility Search

Choose a facility type, or search with a facility name.
