

THE SMARTER APPROACH TO HEALTH INSURANCE

Sick of the high costs of healthcare? So are we. So we partnered with DPS to fix it. MotivHealth has been successfully lowering the cost of healthcare for hundreds of companies since 2015, and we can lower the cost of healthcare for you, too. We recognize that high cost does not equate to high quality, and we are here to shout that from the rooftops—price transparency!

COMPANY FOCUS

We combine our own unique savings tools, including robust prescription assistance programs, with high deductible health plans and HSAs to provide the solution to rising healthcare costs. With our help, you get to keep a large chunk of what you would spend on premiums in a traditional healthcare plan. And on top of everything else, have you ever heard of an insurance company that's available 24/7/365? Be our next success story.

The MotivHealth Mission

WE HEAR A LOT OF TALK ABOUT AFFORDABLE CARE AND HOW TO CHANGE THE ENTIRE HEALTHCARE MODEL. FORGET TALK, MOTIVHEALTH IS SIMPLY DOING IT. WE BELIEVE IN MOTIVATING AND EMPOWERING OUR MEMBERS. WE TRULY WANT TO HELP YOU GROW YOUR HEALTH SAVINGS.

LOWER COSTS

Knowledge is power. We combine the savings from an HSA-based approach with price transparency to lower your premiums.

SECURE FUTURE

HSAs provide financial flexibility. They offer tax advantages, promote savvy healthcare decision making, and encourage financial growth.

EMPOWERMENT

With a price transparency tool and 24/7 support, our members are empowered to become proactive consumers. That means costs stay down for everyone.

Member Programs

SMARTPAY

Ask yourself: Why don't you know the cost of healthcare procedures before you receive them? This is the fundamental flaw of healthcare. Our SmartPay program allows members to get the best care at the best price. MotivHealth members have access to a one-of-a-kind cost comparison tool that allows them to take charge of their healthcare. **For the first time, you get to know the cost of care before receiving it.**

RX PROGRAMS

MotivHealth has a dedicated team that helps our members find discounts and full-assistance pharmaceutical programs. Most people have no idea how to take advantage of these programs, or even that they exist, and we're here to help. This is game changing for members with financially debilitating issues from diabetes to multiple sclerosis. We also help find co-pay cards that reduce your responsibility at the point of sale.
